Welcome to the 2025 Bull Sale!

We are delighted to welcome you to our 9th annual bull sale. This annual event not only allows us to see old friends and make new ones, but to showcase bulls and heifers that through blood, sweat, feeding, culling and the grace of God, we are able to bring to you, our fellow producers. We take pride in bringing quality breeding stock that has been selected based on structure, performance, and disposition, to provide consistency and quality that will boost the performance and longevity of your operation.

In a time with historically high market prices, we understand the rigor and care each producer takes to build their herd-whether that be breeding livestock or feeder calves. With Charolais, SimAngus, and Angus bulls as well as Charolais, Angus and Brahman heifers, we feel certain you will find an animal, or two, that will increase your operation's efficiency and profitability! We believe in fair access - you're seeing these animals first, as we don't pre-sell or allow early selection before the sale. As fellow producers, we constantly strive to improve our herds' genetics, and today's offering represents the best of those efforts.

Rooted in faith and family, we - the six families behind this sale - are deeply grateful for your participation. Whether this is your first year with us or your ninth trek to Letohatchee, your presence matters. We hope today's investments become tomorrow's success stories for your operation.

Thank you for being part of our journey,

The Fall Sale Partners
