53rd National Charolais Show Dedicatee

The late Evelyn Gay Lawton Duhon JVS Cattle Company, Sulphur, Louisiana

... And they grew up to be cowman.

This statement is the essence of the life of the late Evelyn Gay Lawton Duhon. Taken from the cover of "The Lawton Ranch of Southwest Louisiana". This book describes the notable story of the settlement of Southwest Louisiana starting in 1817.

Perhaps one of the longest commitments to the history of the Charolais breed in the United States, Evelyn Gay's grandfather J.A. "Polly" Lawton introduced Charolais cattle to Southwest Louisiana in the early 1940's with the purchase of Quetzal, the 1939 Mexico City Champion, from the King Ranch in Texas. Polly, recognized as one of five pioneer Charolais breeders in the United States, imported several additional bulls from Mexico in 1946.

As a child, Evelyn Gay was involved in the daily life on the Lawton Ranch. Early on, the family traveled by car to Pueblo, in east central Mexico to inspect the Pugibet Charolais herd that was imported from France during World War II. Many times, Evelyn Gay would recount the story and the selections made. As she grew up, she would attend many of the early Charolais shows and sales at the Houston Fat Stock Show and Livestock Exposition.

In the nineties, Evelyn Gay regenerated the "J.A. Lawton & Sons" Charolais herd into today's JVS Cattle Company. (Interesting to note, over the many years prior, Charolais cattle were an integral part of the ranch operation.) With a strong interest in exhibiting show cattle, the JVS show string was seen at countless National and State Fair Charolais Shows across the United States including Houston, Fort Worth, Kansas City, Louisville, and Denver.

Along with close friends and partners, Bar J Charolais, Evelyn Gay had countless Top 10 American-International Charolais Association (AICA) Bulls, Sires, Females, and Dams of the Year. The JVS program was involved with establishing five Roll of Excellence Sires including their walking herd sire, BJCF Bar JY66. Perhaps her proudest moment was when GJL Ruidoso 3082 was selected 47th National Grand Champion Bull at the 2015 North American, going on to be the 2015-2016 AICA Show Bull of the Year.

Evelyn Gay was an ardent supporter of the American-International Junior Charolais Association and the American Charolais Foundation (ACF). She selected the ACF Foundation Heifer, raising \$20,650 for youth and education at the 2021 Cattleman's Congress 42nd National Sale – designated to be the foundation female for her great granddaughter, Scarlett Smith's herd.

Recognized by Charolais breeders worldwide, Evelyn Gay attended the World Charolais Congress in France and Mexico – she had a true interest in seedstock genetics.

Evelyn Gay passed away on March 12, 2021. Her legacy can be summed up with the following statement:

In the end, she was the matriarch of an empire carved from south Louisiana prairies, pastures, and marsh land. While much of the glory days are gone with the wind, she took her share and resurrected a foundation Charolais program that produced a championship line – a role play not accustomed to having a female at its head. She was tough, she was generous, and she was a good friend to many.

53rd NATIONAL FEMALE SHOW

AICA CHALLENGE TROPHY

Premier Breeder Award: Thomas Ranch, Harrold, SD

53rd NATIONAL HERDSMAN OF THE YEAR:

Cally Thomas Kindred, Harrold, SD

Why Not

Use a Registered Charolais Bull?

If your goal, as a beef producer, is to market a calf with wide market acceptance, why not use a registered Charolais bull? In a recent analysis of seven years of extensive Superior Livestock video auction marketing data including more than two million head of cattle, Charolais-sired steer calves outsold all other English-Continental breed cross steers by \$3.73 per hundred weight.¹

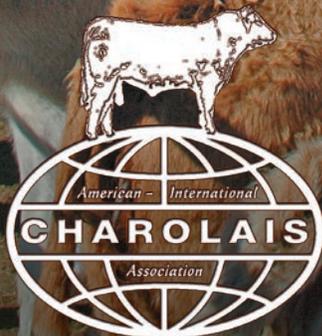

Use genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand
- Predictability
- Increased weaning & yearling weights
- Easy calving
- More live calves
- Adaptability
- Value of Charolais-cross females

A truly legit beast, with over 900 lbs. of weaning weight! He is massive yet does it in an extremely smooth package. He and his full brother WC Typhoon 1106 P ET might be the best flushmate brothers ever produced at WC! A maternal sister was Grand Female at the 2021 Tulsa State Fair, another maternal sister sold for \$18,000 in the National Sale and maternal bothers are working for Valley View Charolais in Montana, Schnuelle Charolais Ranch in Nebraska and Doll Charolais in North Dakota, but these boys are her best work yet! Never underestimate the performance strength of 1140 and the Sweetheart lineage. The EPD profile of WC Tsunami 1100 is impressive across the board, highlighted by his WW EPD ranked in the top 2% of the breed!
