Bulls! Bulls! Bulls!

- In the cattle business, the emphasis should be on business and with today's high corn prices it is important that the money we make is with cattle that perform on grass. We are a forage based operation. Our calves are not creep fed and are raised on grass. Every calf counts!
- **All of our bulls are guaranteed TB, Trichinosis, and Bangs free and semen tested.**
- Under our family's 4 brands we buy over 135,000 head of stocker cattle in the Southeast annually. We buy your calves at your local market. We know what your buyers want because we are one of them.
- Our cattle are well adapted to your area because they were raised less than 100 miles from the Gulf of Mexico on grass. They will not fall apart.
- **40 of the Charolais breed's Top 50 bulls for Total Maternal are Rogers Bar HR bred.** In addition, Rogers Bar HR bulls have won more BIF guideline central tests than any herd in the nation! We hold the rate of gain record for both MS and FL.

Buy them out of our pasture, at your pace, with no sale pressure. Come take a look!

CHAROLAIS JOURNAL ADVERTISING POLICY: Advertising material for any month's issue must be received in the offices of the *Charolais Journal*, 11700 NW Plaza Circle, Kansas City, MO 64153, by the 25th of the second month preceding the month of publication, i.e., Dec. 25 for the February issue. Full camera-ready advertising copy or full-screened negatives will be accepted until the 1st of the month prior to publication provided notification of copy size, shape, color and other specifications are received by the 25th of the second month prior to the month of publication. If a proof is required, copy must be received by the 20th of the second month prior to publication, i.e., June 20 for the August issue. No copy can be altered or changed, except for typographical error, after the 1st of the month of publication. Any ad copy changes that must be made after the 1st of the month will be assessed a 10% additional space charge. All dates and times are herein applicable at the office of the CHAROLAIS JOURNAL, 11700 NW Plaza Circle, Kansas City, MO 64153. *Charolais Journal* (ISSN 0191-5444) is published monthly, except June and July which are combined issues, by CHAROLAIS PUBLICATIONS INC., 11700 NW Plaza Circle, Kansas City, MO 64153. Subscriptions: U.S. - \$75; U.S. First Class - \$100; Canada - \$125; Foreign - \$125. Single Copies - \$7, including postage. For AICA members, \$20 of annual dues to AICA are applicable to subscriptions for *Charolais Journal*. Periodicals postage paid at Kansas City, MO 64153, and additional mailing offices. Standard postage paid at Jefferson City, Mo. POSTMASTER: Send address changes to: CHAROLAIS JOURNAL, 11700 NW Plaza Circle, Kansas City, MO 64153.

It Takes Teamwork!

The 2013 AIJCA Team

Juniors from 22 states competed in leadership contests and shows at the Texarkana Junior National.

Congratulations to our breed's future!

M&M Ms Firewater 2539 Pld
Brady Gentry placed 2nd in Owned Class 7
with this daughter of M&M Ms Wyo Wind
8537, a Duchess 433 daughter.

Team Oklahoma

***Stop in and see our exciting

CHAROLAIS

VIEWPOINT

J. Neil Orth, Executive Vice President

Outstanding

The future of the Charolais breed is in good hands.

A single word best describes the recent AIJCA National Show! By now, many of you will have received information about the winners. Aside from the literal winners taking home trophies, the entire Charolais breed wins in a very big way every year.

On multiple occasions, this space has been used to recognize our juniors. However, at the risk of some thinking we're a bit repetitious, the message bares repeating. Some families choose to spend their vacations at Disneyworld or Six Flags or some other destination with "fly-in fly-out" service. The hundreds of kids and families that choose summer cattle events or national competitions obviously do it for different reasons. These families choose to spend their vacation dollars dragging trailers of cattle, feed for the cattle, feed for the kids and tack to destinations rarely on the ordinary vacation flight path. They have obviously made a conscious

instant access and 24/7 communication. With the right analysis tools, we can know if someone from anywhere in the world goes to a website, which pages the visitor views, how long a viewer stays on a site and which browser the viewer used to access the site.

No doubt, every generation experiences change and some even wish we could make time stand still. We can't. We can, however, recognize it for the enormous potential it brings to our industry. The ability to sit at a computer and bid on cattle anywhere in the country, in real time, is rapidly changing our marketing strategies. Ranch visits are being replaced by visits to a website. Today, if you don't have an up to date website that accurately promotes your ranch, you can compare that website visit to a telephone call from a potential customer hoping to schedule a visit to your ranch and learn more about your operation—and you missed the

"They have obviously made a conscious decision to use valuable vacation days to not only enjoy each other as a family, but to provide priceless learning experiences along the way."

decision to use valuable vacation days to not only enjoy each other as a family, but to provide priceless learning experiences along the way.

This year, more than 300 entries representing 17 states competed in live cattle as well as academic competitions. A highlight each year is the scholarship presentations. This year, more than \$30,000 in scholarships were awarded to junior members. Students from 13 states were awarded scholarships ranging from \$500 to \$1,500.

It's hard to believe the students competing in the Jr. Nationals or receiving scholarships today will be the decision makers tomorrow. They already realize the emerging technology to evaluate genetics, communication technology and global opportunities are just the beginning of a totally different business landscape they will need to embrace. In their business reality, they will likely not hear, "I don't have email" or "I don't use that internet thing." And, if they do, it's highly likely the individual will not be taken seriously as a customer.

Websites, Facebook, YouTube, Instagram, Twitter, LinkedIn, ChaCha, Wikipedia are just the tip of the proverbial iceberg when it comes to

call!

It's a safe bet, almost every junior in attendance at Texarkana is a skilled user of social media. They may not understand the longevity of their digital footprint—yet—but they will in time. They may be shocked to realize a potential employer at their first job as a professional will have "Googled" them and checked out their Facebook page and know far more about them than our first employer knew after many years of employment!

Those of us now being lapped by the next generation have a couple of options. Send your kids and grandkids Facebook "friend" requests, follow 'em on Twitter or send 'em a text! But, by all means, take advantage of the intellect of all these juniors while you have them at home! Whether we understand the new language or new media, the future of the Charolais breed is in good hands. If you don't believe it, check us out on Facebook everyday! <https://www.facebook.com/CharolaisUSA>

www.StayArgosy.com

American-International Charolais Association

The AICA is the official registry for Charolais and Charbray cattle in the United States. Charolais cattle were first brought to the U.S. in 1936. In 1957, the American Charolais Breeders Association and the International Charolais Breeders Association merged forming the present AICA. Membership in the AICA is obtainable when the applicant has ownership in at least one animal, and has paid the initial membership fee of \$125. AICA annual dues are \$100.

Advertising Deadline

The deadline to place advertising in the November 2013 *Charolais Journal* is September 25. Contact your area field representative about advertising opportunities in this issue as well as other available options.

Get in Touch with AICA Staff

Quickest way to communicate with the AICA staff? Try e-mail! Find e-mail addresses on this page.

AI Sires

AI Sires used "out of herd" must be DNA tested before calves can be registered. Check the bull's record to make sure the DNA work has been done before submitting registration papers. AICA rules require signatures on bulls you do not own. Signatures can be submitted online, fax, mail or e-mail.

AICA Billing Statements

AICA statements are sent at the beginning of each month. Any activity from the previous month will be listed on your statement.

CharolaisUSA.com Advertising and Marketing Opportunities

The AICA website (www.charolaisusa.com) offers a variety of online advertising opportunities. Banner ads can be linked directly to your website or sale catalog. The ads are \$250 per month or \$200 for two weeks for advertisers in the *Charolais Journal* or *Charolais Edge*. The general banner ad rate is \$400 per month. Normally, the ads will be put on the website within 2 days after submission.

Want to reach your customers directly? Email blasts are now offered to drop your advertisement straight into the inbox of thousands! Email blasts work great for upcoming sales or any ad that runs in the *Charolais Journal*. Email blasts can be linked directly to your website or sale catalog. Email blasts are \$250 each for advertisers in the *Charolais Journal* or *Charolais Edge*. The general email blast rate is \$400 each.

CharolaisUSA.com advertising packages are available for those advertising in the *Charolais Journal* or *Charolais Edge*. Promote your sale with a 1 month banner ad and 1 email blast for \$400.

The *Charolais Journal* is now offering more services to sale booklet advertisers. Not only is the *Charolais Journal* an excellent spot to promote your sale, but sale booklets are now online! Easily accessible on the AICA website, check out the sales coming near you.

AICA using GeneSeek

The AICA is now using GeneSeek for parentage testing, contact Marilou Wegner to request a kit. The kit is specific to the animal being tested. AICA rules require AI sire and donor cows be tested if they have not been.

55 Breeding Age Charolais Bulls Offered
20 Bred Cows • 10 Open Heifers

"The fact remains, having Charolais included in the genetic equation has proven time and again to be successful. Feeders love to feed them and packers appreciate the additional profits built into the carcass"

We have been breeding Purebred Charolais Cattle since 1972 and have been performance tested for 27 years. Our Charolais Cattle can be a good investment for your future.

GENETIC

VIEWPOINT

Robert Williams,
Director of Breed Improvement
Director of Foreign Marketing

Let's build our 50K population

50K will make our enhanced EPD a reality

Charolais breeders continue to work on a research population of 50K genotypes. This research population will serve AICA as a training population which in cooperation with our existing database of phenotypes for growth and carcass traits will aid AICA in our efforts to incorporate genomic information into our existing genetic evaluation.

The greatest benefits to incorporating genomics into our existing genetic evaluation will be increasing the accuracy of young non-parent animals or those with only a few progeny. This can give producers increased confidence in their selection efforts for replacement bulls and females in their breeding programs in the future.

However, it is important that producers contribute samples (either semen or hair) primarily on high accuracy sires in addition to those dams with high accuracies because of their broad representation through the AICA database through influential sons. The higher the accuracy of the research database, the higher to corresponding accuracy of genomically enhanced EPD.

It is also vitally important that producers continue to contribute to the performance database by submitting performance data through the AICA performance programs.

Producers who have been contributing data through the AICA performance programs likely have sires that are very useful and will contribute to these efforts. If you have questions regarding your sires you can easily find their most current EPD and accuracy values on the AICA Website through our online search tools or by contacting the AICA office.

Anticipation is high for many breeders as AICA continues to work on this effort. It takes the grassroots efforts of all producers working towards these goals to make genomic enhanced EPD a reality for the Charolais breed.

JUNIOR

VIEWPOINT

Matt Loggains, President

Become Involved

I challenge you!

Hey everyone! My name is Matt Loggains and I am excited to say that I am your president for the upcoming year. I am 21 years old and a senior at Arkansas State University with a major in Agriculture Business with an emphasis in Marketing and Management and I hope to be graduating in December of 2014. I can honestly say that the Charolais breed and showing cattle in general has been my true passion since I was 10 years old. I am fortunate enough that I have been able to travel all over the country and meet a lot of different people from all different breeds by doing something that I love. This hobby teaches so many positive attributes to young people and has molded many of us into the men and women we are today.

I get asked all the time what I plan on doing after graduation and all I can ever say is that I don't really know, that I just know that it is going to involve cattle and hopefully Charolais in one way or another. To me, the major impact

see the good that you do, too! Whether it's Junior Nationals, Denver, The American Royal or your own state fair let the juniors in the barn see that hardwork and dedication does pay off down the line. I challenge you at your next show —try to teach someone younger than you something about the cattle industry whether it is how to part a tail head or where the cannon bone is located. Just leave some kind of positive impression that will stay in the back of the junior's mind.

When I got on the AIJCA board in 2010, I would have laughed at you if you would have told me that I would be president one day. I wouldn't have laughed because of the idea of it but because I wouldn't think there was any way I would get elected being from Arkansas. That is the beauty of the AIJCA, we are an association that is not too big and not too small and no matter where you are from you can impact it, but in order to make an impact you have to make an attempt. When I first got on the board I was sociable around

“...the major impact the AIJCA, AICA and all other breed organizations have is that they keep the younger generations interested in the cattle industry.”

the AIJCA, AICA and all the other breed organizations have is that they keep the younger generations interested in the cattle industry. One of these days I may be selling feed, working in a show barn or even working in the back of a sale barn but I know that no matter what I am going to be around cattle. In order to keep our industry going we have to keep people passionate and that's the main thing that I want to accomplish as President of the AIJCA. I feel like in every article I have written for the Charolais Journal I always talk about the younger juniors and that as older members we must watch what we say and do in front of them because they are always watching. I always try and mention the younger kids because they are the future! Without them, we won't have this industry! Paying attention to what you do does not always involve the negative side of things; kids also

my friends but when it came to doing things in front of a group of people I was completely terrified especially when it came to the microphone. If you attended the Talent and Skit night at Junior Nationals this year in Texarkana than it is quite obvious that is no longer an issue. I want to thank the AIJCA for helping me get over that fear because what was once a downfall is now one of my greatest strengths. So this next year at Junior Nationals whenever one of the board members ask for someone to come sing “I'm a Little Teapot” on the microphone or to “sizzle like bacon” don't be embarrassed and get up there and just do it.

I am thrilled to be the AIJCA President for the next year and I will do everything that I can to make sure that this next year will be a great one. Thanks for the opportunity! If there is anything that I can do for you just contact me! ☺

Social:

Friday Evening Dinner: Please join the Cox and Hayden families for dinner at 7 p.m. at the Cindy and Mitchel Cox home.

Lunch:

A complimentary lunch will be served at 11:30 a.m.

Herd Health:

All cattle will be accompanied by proper health certificates for immediate shipment.

Absentee Bidding:

If you cannot attend the sale but would like to bid on any lots selling, please contact Greg Hubert, Floyd Wampler or John Chism to handle your bids in a confidential manner.

Trucking:

A \$300 maximum rate has been guaranteed per lot or pro-rated to closer locations.

Insurance:

Insurance will be available at the settlement area.

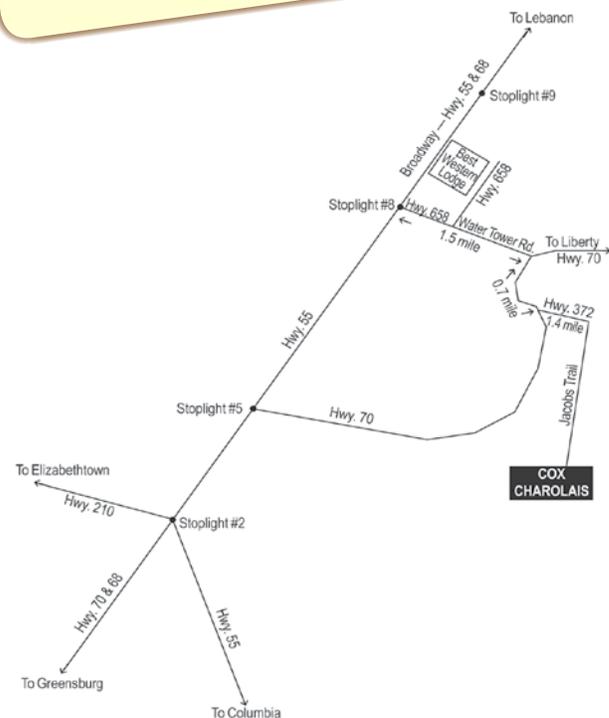

Welcome back to the 8th sale hosted by the Cox and Hayden families. Last year the sale was cancelled due to the drought in the area and that will only mean more great pedigrees and quality to select from!

This year's offering is anchored by a tremendous set of fall calving females that will have calved before the sale date. There are 37 head of these fall calvers to select from with calves at side sired by the best sires in the breed. This will be one of the best sets of fall born calves and their dams to select from, ready to breed back to the bull of your choice.

Thirteen spring calving females and their calves old enough to wean in the ring and eighteen bred spring calving heifers will also impress all that attend with their quality and service sires. For a young junior, check out the two show heifers that sell.

Please join all of us for dinner Friday evening, a great lunch sale day and on the seats for the auction. Mitchel and James always want their customers to enjoy themselves at their sale and want you pleased with your purchases. If you ever have a problem with the cattle let them know, they will make it right!

Greg Hubert

- This great son of Bluegrass has been used in the Cox A.I. program for his tremendous calving ease and performance. He topped the Wright Charolais Bull Sale in 2010 when 2/3 interest sold for \$10,000 to Wienk Charolais, Polzin Cattle and ABS Global. Big Ben was also the lead bull in the Wright Charolais Grand Champion Denver Pen of Bulls. He was an AICA Trait Leader in 2012 and 2013 for Birth Weight.

- One only needs to look at this picture and then go look at his fantastic daughters in this sale to see the value this Cox bred sire has had on this herd. He has been the best and easiest calving bull Mitchell has raised and possesses an incredible -3.7 Birth Weight EPD and a Calving Ease EPD of 11.9! He will soon be an AICA Trait Leader. And what a strong Wienk pedigree he has with the maternal side boasting Tradition 066 and Duke 261.

- One of the great ones to come out of the famous Lindskov-Thiel program in South Dakota. Since selling for \$105,000 this sire has demanded a lot of attention from the breed and has now proven himself worth the investment when his first sons sold in 2013 for \$82,000, \$52,000, \$42,000, \$35,000, \$25,000 and \$23,500!! Check out his progeny in this sale.

- Many of the Hayden lots in this sale have been bred A.I. to this calving ease sire that has started many breeders thinking about using him. His first daughter grabbed everyone's attention at 7 months of age selling for \$25,000 and then one month later winning the Reserve Spring Calf Championship at the National Show. This spring his sons were the hit of the Thomas Ranch Bull Sale when they topped that sale at \$40,000, \$17,000 and \$15,000.

10/13/2012 M830942 POLLED

Selling a full 1/4 interest and No Possession.

Buyer will receive all semen at cost, share in any revenue, and promotion. One of the most exciting young herd sire prospects in the industry today! Tremendous thickness, style, deep sided, easy fleshing young bulls on the campaign trail. A royal pedigree insures his ability

to sire, show, win, and become a household name in the Charolais breed. A PERFECT SELECTION FOR BREEDING FIRE WATER heifers! This outcross would be an ideal show ring mating! He is also out of a maternal sister to the great HF Hi Definition bull that created a great following after the 2012 Gathering Sale. Dam is a great milking daughter of a Houston National Champion. Look over his birth weight, growth, correctness, and superb pedigree and get ready to travel to the shows to be in the winner's circle with a purchase of this top sire!

Sells open, a fantastic prospect that gets better every day! This big boned, heavy muscled heifer, is extremely correct. Her long side and depth of body contribute to a massive body type, yet retains the femininity of a superior brood cow. Her dam is a very stylish Donor. A super udder quality female, long bodied, very feminine front, and tremendous skeletal soundness. Ranks in top 9% Milk EPD for the breed.

Est. EPDs: 0.8 1.1 34 67 15 -1.1 32 1.4

28R: PB recipient cow, WWF Miss Fame 307P, F1001259, born 4/8/03, due to calve: 3/17/14.

This mating represents the very popular M6 New Standard with one of the hottest female lines in the industry, JDJ Smokester J1377. Lazo's dam is Riverdale's great Donor cow that was a pick of the Cobb herd that has produced some of the top individuals in the breed. This could be an awesome mating!

Safe in calf to M6 Full Speed 109 P, PE from 10/20/12 to 4/10/13. This powerful Donor has a daughter in the Bruce Roy herd, LA. Her dam D1095, is the dam of LHD Crypto H1523, a very powerful herd sire at DeBruyckers known for producing extra performance cattle with abundant thickness. This great Smokester cow has the potential to produce some of the great ones and will have one of the first Full Speed calves! This calf could be a major herd sire prospect or a great brood cow.

 F583603 MS MJM 5013
BW: 89 lbs
 EPDs: 5.7 1.3 19 34 10 8.2 19 0.4

72A: Heifer calf #5983, born 3/21/13, bw 78, sired by Hales Assertion 8050, that traces back to Hale Farms' great Barney 1082 Donor cow.

PE from 3/21/13 to sale time to DWC Mr Performer 1055 P ET. This top cow is a maternal sib to lot 63, both out of the remarkable producer Y101, used in so many herds. Being a DO40 cow, might be worth breeding to Firemaker to create the great combination that has worked for Thomas Ranch for their successful show program.

SCR MISS BARNEY 1082

PE from 5/25/13 to sale day to DWC Mr Performer 1055 P ET, a very well bred Mac 2244 son. This great cow not only has the K1509 donor cow in top side, but has the very proven Barney 1082. Lots of milk in this pedigree. K1509 has one of the best quality udder structures in the breed and her granddaughters seem to inherit that trait. Barney with Smokester should be very superior in Milk.

The Charolais Drive-In gathered AIJCA families from 19 states to the Four States Fairgrounds in Texarkana. Opening ceremonies began the week's excitement for all participants. Many AIJCA members participated in the Mentorship Program building new relationships with young junior members. Agricultural leaders led workshops sharing their expertise in the leadership conference portion of the event. Junior members left with new ideas and a better understanding of agriculture.

Wednesday morning began the Bull, Steer, Percentage Heifer and Bred & Owned Shows. Jim Pipkin, Springfield, Mo. evaluated the 130 entries from 17 states. Friday held the Owned Heifer Show with 205 entries from 17 states evaluated by Brandon Callis, Brenham, Texas.

This year's contests also displayed great successes for junior members from Photo to Speech, from Team Sales to Cook-Off, all of the results are here!

DEDICATEES AND HONOREES

2013 Junior National Show Dedicatee

For the past 11 years, Jimmy and Cherrie Curtiws of Texarkana, Texas have advised the Texas Junior Charolais Association (TJCA) membership and families.

The Curtis' met while in college at Mississippi State University. Jimmy's work moved them to Texarkana, where he managed A Bar Ranch, a noted seedstock Brangus and commercial cow operation, for 26 years. In the 90's, Jimmy began using Charolais bulls on the Brangus-based cowherd. When their children, Jamie and Wesley, began showing cattle, they were drawn to Charolais. Jimmy and Cherrie met the Lehman and Bracewell families who prompted them to become more involved with the Charolais Association of Texas. Following their first Fort Worth Junior Charolais Show in 2002, Jimmy and Cherrie volunteered to help with the TJCA. By June, they were the advisors.

The Curtis' coordinated their first Texas State Show in 2003 with limited funds, but they were quick to recognize the experiences shared with the kids were more important than the prizes awarded. Despite their hardwork and long hours, the Curtis' realized support from the kids and parents made the TJCA thrive.

Cherrie has worked as a local 4-H Extension Agent for the last 13 years. She dedicates many hours to her members and their development. Cherrie coaches award-winning livestock judging and rifle teams.

For the last 22 years, Jimmy has volunteered

at the Four States Fair, the last 15 of which, he has served as the Livestock Show Coordinator across all species. He served three years as Chairman of the Four States Fair Board of Directors, before recently being appointed President and CEO of the Four States Fairgrounds. Jimmy also serves as a 4-H Beef Mentor to the youth in the county. He spends one-on-one time with beginning families assisting them with their beef projects ranging from selection to feeding to grooming. Fitting and showmanship clinics are an integral part of the program.

Jimmy and Cherrie are truly dedicated to the youth of agriculture. They practice an open-door policy to all of the kids they are involved with. Whether they are helping clip calves or breed heifers, they are always available. As Jimmy reflects, he stated, "Junior programs have done us as much good as the kids."

The Curtis' made their first Junior National trip to their home state of Mississippi in 2003. This would prove the first of many in the years to come. Cherrie said her most memorable Junior National experiences were the bonding of Texas juniors in Hutchinson in 2005, receiving the AIJCA Advisor of the Year Award in Springfield in 2006 and the flooding in Wichita Falls in 2007. Jimmy stated, "Junior Nationals taught the kids manners, how to speak to people and how to interact with adults."

Macie Wagstaff presents Cherrie and Jimmy Curtis with the 2013 honor.

Jimmy and Cherrie helped plan their second AIJCA Junior National Show this year in Texarkana. They enjoy being grandparents to Jamie and her husband Michael's two children, Stetson and Kynzie. The Curtis' have helped raise thousands of dollars for the Texas Juniors and planned two AIJCA Junior National Shows. When asked about receiving this award Jimmy said, "There is nothing like the kids recognizing us. They mean the world to us. Cherrie and I truly know the importance of junior programs and the people involved."

2013 Junior National Conference Honoree

Daphne Davis of London Mills, Ill. is no stranger to the Charolais breed. As a former Miss Charolais USA and longtime AIJCA Advisory Board member, Daphne has been involved in the AIJCA since her youth.

Daphne's parents, Lowell and Luann Davis, bought their first Charolais bull in the mid-1960s. By the early 1970s, the Davis' bred-up their herd to purebred status. Daphne and her sister Shelley were very involved with the family cattle operation, Swegle Creek Farm. In 1979, Daphne attended her first AIJCA Junior National Heifer Show in St. Paul, Minn. She was eager to learn more about the livestock industry and after graduating high school attended Blackhawk East Community College and was a member of the livestock judging team.

She attended the Junior National Heifer Show and the Leadership Conference in 1982 in Brookings, S.D. She was crowned 1983 Miss Charolais USA during the 1982 American Royal. She traveled to shows and sales representing Charolais and building relationships with breeders. Daphne capped off her AIJCA career at the 1983 Junior National in Lafayette, Ind., by exhibiting the Grand Champion Bred & Owned Heifer, Swegle Creek Nikki 221. After college, she spent time working for DeBryucker Charolais in Dutton, Mont. and Copeland Farms of Kansas before moving back to Illinois to help manage the family farm.

Daphne's two sons, Chance and Will, have grown up in the showing. Chance attended his first AIJCA Junior National in 1997 at age 9 and Will attended his first show in the stroller and hasn't missed one yet. Her family had much success in the showing. Chance exhibited the 1999 Junior National Grand Champion Owned Heifer, Swegle Creek Picabo 801 in Tennessee. Picabo's progeny enjoyed much success in the showing, garnering her Show Dam of the Year for two consecutive years, 2002-2004. The most successful were the 35th National Reserve Champion Bull and 2003-2004 Show Bull of the Year, SC Windfall 123 ET Pld and the 2005 Junior National Reserve Grand Champion Female, Swegle Creek Olympia ET, exhibited by Megan Fink, Randolph, Kan. After the Swegle Creek Farm Dispersal Sale in 2006, Daphne and the family's focus went to Will's herd, WGB Charolais.

Daphne has influenced the lives of many AIJCA members. Having attended every Junior National since 1997, she was on the founding AIJCA Advisory Board and has been a member since. She has aided the Junior Board at meetings and activities year-round. Daphne coordinates the Gold Elite Junior Merit Selection each year at the Junior National. She attends the AIJCA Annual Membership Meetings and is always there to give advice or lend a hand.

Daphne has been recruiting Junior Board members

Daphne Davis receives the 2013 honor presented by Megan Fink.

and Miss Charolais USA candidates for many years and does as much behind the scenes as in front. She has been an advisor or an active influence to the Illinois Junior Charolais Association since 1999 and was on the 2011 Junior National Planning Committee.

When Daphne isn't helping on the family farm, she is clerking sales or helping at the photo backdrop or picture pen. Daphne and Will also raise and sell Miniature Australian Shepherds. Daphne has seen the industry evolve but she says one thing stays the same, "The people are great and the relationships you make are like none other. I love the people. My livestock friends are my best friends."

CONTEST AWARDS

Outstanding Junior Member

From left: 2012 award winner Hadley Schotte, Marysville, Kan. presents Sydney Zehnder, Stanchfield, Minn. with the 2013 award.

Impromptu Speech Contest

From left: Kaitlin Smith, Cypress, Texas - 1st Junior; Lucas Crutcher, Fair Grove, Mo. - 2nd Junior. Kip Wallace, Emerald, Wisc. - 1st Intermediate; Hadley Schotte, Marysville, Kan. - 2nd Intermediate. Cody Lacy, Albion, Wash. - 1st Senior; Dusty Pendergrass, Bryan, Texas - 2nd Senior.

Prepared Speech Contest

From left: Weston Schrader, Wells, Kan. - 1st Junior; Shade Bunker, Sparta, Wisc. - 2nd Junior. Teanna Simpson, Thayer, Mo. - 1st Intermediate; Sydney Zehnder, Stanchfield, Minn. - 2nd Intermediate. Maggie Gibson, St. James, Mo. - 1st Senior; Megan Johnson, Beaver, Okla. - 2nd Senior.

Chad Clark Memorial Outstanding Senior Member

From left: Matt Loggains presents Dusty Pendergrass, Bryan, Texas with the 2013 award.

Resume & Interview Contest

From left: Katy Clawson, Satanta, Kan. - 1st High School; Tayler Gall, Clarkson, Neb. - 2nd High School. Dusty Pendergrass, Bryan, Texas - 1st College; Chelsea Woodcock, Clovis, Calif. - 2nd College.

Art Contest

From left: Eli Meyer, Sarcoxie, Mo. - 1st Junior; Korbin Leddy, Stockholm, S.D. - 2nd Junior. Matthew Meyer, Sarcoxie, Mo. - 1st Intermediate; Kadon Leddy, Stockholm, S.D. - 2nd Intermediate. Cody Lacy, Albion, Wash. - 1st Senior; Ty Dybdal, Newcastle, Neb. - 2nd Senior.

AICA Fieldman's Workhorse Award

From left: Chelsea Woodcock, Clovis, Calif. receives the 2013 award from AICA Field Representative, Wes Chism.

Where there's Will, there's a way

2013 AIJCA Herdsman of the Year

*Will Blankers and
Swegle Creek Lucy 444.
Dam of Will's 2013
Junior National Reserve
Grand Champion Bull.*

Many juniors spend their whole lives dreaming and hoping for the honor of being selected as the AIJCA Herdsman of the Year. A goal that Will Blankers says, he never thought he would get so young.

"I really had no idea and it shocked me to hear them call my name," Blankers said. "It's a huge honor and something that I take really seriously. Charolais cattle are my biggest passion, so to be recognized for what I have put into the AIJCA is really special."

From London Mills, Ill., the high school senior is looking forward to graduation next spring. Following graduation, he is considering going to Blackhawk College and possibly join the livestock judging team. This will allow him to be close to home and close to his cattle for a couple more years. For Blankers, if it's not on four legs, it's doubtful that he has much time to dedicate to it.

"I've known since I was old enough to walk and talk that Charolais cattle are something that I really wanted to be serious about," Blankers said. "I quit playing sports and most of the time, don't get to spend a lot of times with friends because I'm clipping, washing and working on my cattle 24/7."

Along with his cattle, Blankers also takes great pride in raising an excellent set of miniature Australian Shepherd dogs. The dogs have helped Blankers save for college and also give him company during his long hours in the showbarn.

"I'm not exactly sure what I want to do after college just yet, but I do know that I'll keep raising Charolais and Aussies forever," Blankers said.

The 2013 AIJCA Junior National in Texarkana, Ark., marked a 10 year anniversary for Blankers. His very first national show

was in Tupelo, Miss., and he would like to think that he's come a long way since the days of standing on a bucket to help his brother wash his heifer, Picabo. Picabo was the 1999 Junior National Grand Champion heifer. Will continued her heritage this year with her great great grandson, WGB Wind Fire taking home Reserve Grand Champion bull honors.

"Everyone in the AICA has always done everything possible to support me and help set me up for success," Blankers said. "It has really taught me to always try hard, even if you get beat, and always respect people."

Most of all, the respect that Blankers has learned is rooted from a long line of cattlemen and women in his family. He especially would like to carry on the tradition that his grandparents Lowell and Luann Davis started in the 60's. Watching him grow up in the AIJCA, has been especially touching for his mother, Daphne Davis.

"I practically had to drag him into the ring for his first Team Fitting contest," Davis said. "And now that he has fully realized the value that the contest and the entire organization holds, I can't keep him out of the barn."

Not only has Blankers made everlasting friendships in the AIJCA, he says that it has taught him how to work hard and helped him realize what he needs to do to have a future in the business.

"I've always tried to model myself after [the late] Jordan Mack," Blankers said. "I'd like to be as successful in the business

Will's first Junior National, 1996 in Columbus, Ohio

Will and his Champion Junior Fitting team.

as he was and that really pushes me to model my work habits after him.”

It is no secret how hard Blankers strives to have the best cattle in the industry and how hard he is willing to work to get there. It's that very dedication that awarded him the Herdsman of the Year buckle, according to David Hobbs, AICA Director of Activities.

“It's always a tough decision for the committee to make when we sit down to select the most deserving junior member each year,” Hobbs said. “It was a unanimous decision that Will is leading by example by not only having great cattle, but a great attitude, work ethic and excellent morals.”

While the award may have been the highlight for Blankers in Texarkana, he also found great success in the showing.

“It was just an awesome year,” Blankers said. “Being selected as Herdsman of the Year was an incredible honor, but to top it off, I made the final cut in Senior Showmanship and also had Reserve Champion Bull. Team Fitting was really close, too, separated by a single point.”

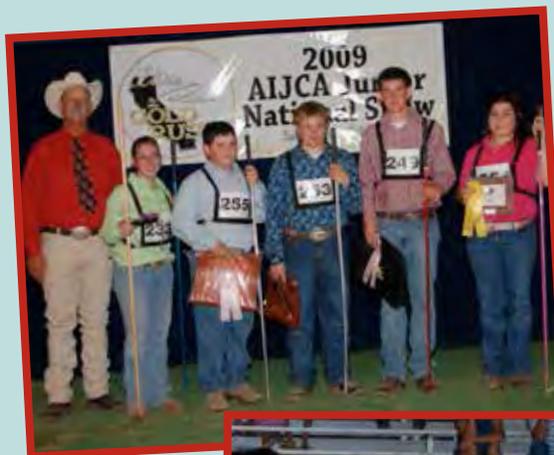

Blankers is always looking for ways that he can be as involved as possible at Junior National. Not only is he a standout in the showing, but you can often find his name in the contest results as well.

“Team fitting and showmanship are my two favorites, but I also really like doing the photo and poster contest,” Blankers said. “I didn't have any luck there this year, but I'll be back again next year. I'm also considering trying to get on the Junior Board.”

His list of goals is long, his cattle get better each year and eventually, Blankers aims to win the heifer show and the showmanship competition at the Junior National show.

“My family taught me early on that if I wanted to have a future in the business that I needed to learn everything that I can from the beginning,” Blankers said. “With so many people that want to see you succeed, you would have to be trying to not get better each year.”

□

2009 Junior National Reserve Intermediate Showman

“It is no secret how hard Blankers strives to have the best cattle in the industry and how hard he is willing to work to get there. It's that very dedication that awarded him the Herdsman of the Year buckle.”

— David Hobbs, AICA Director of Activities

National Western Stock Show
 Sunday, January 19, 2014

Nominations are now being accepted for the 35th National Charolais Sale to be held during the 2014 National Western Stock Show in Denver.

NOMINATION DEADLINE: OCTOBER 1, 2013

All nominations should be sent to Hubert Cattle Sales.

All nominations of breed leading lots with exceptional buyer appeal will be evaluated by the National Sale Committee, the sale manager and the AICA staff for final selections to be accepted into the National Charolais Sale.

The sale catalog information deadline is October 15th and the National Sale catalog will be printed in the December 2013 issue of the Charolais Journal.

There is a \$300 per lot catalog fee for a ½ page full color space in the catalog and a standard sale commission (The last two National Sales were 12.5%).

Schedule of National Events:

Saturday, January 18th: Charolais Pen Shows, 9:00 a.m.
 Pre-Sale Social, immediately following the pen shows
 Sunday, January 19th: National Charolais Sale, 2:30 p.m.
 Monday, January 20th: National Charolais Show, 8:00 a.m.

Contact anyone on the AICA Staff, National Sale Committee or the Sale Manager to discuss your National Sale nominations today.

Obituary

Lawrence H. (Larry) Graham, age 84, of Cadiz, Ky., passed away Saturday, July 13, 2013, at Barkley Plantation Assisted Living in Cadiz, Ky. Larry was a farmer and a cattle producer and owned and operated Riverview Charolais Farms. He was also a retired insurance adjuster for Ohio Casualty Insurance Company. He was a U.S. Air Force Veteran and a stock car driver at Beech Bend Park and other regional race tracks. He served on many local, state and national boards including National Cattleman's Association, American-International Charolais Association, Kentucky Beef Cattle Association, Kentucky Charolais Association and Warren County Extension Board. He was an Elder, Deacon and sang in the choir of the Presbyterian Church of Bowling Green, Ky.

He was survived by wife Beverly Goodert Graham, daughter and son-in-law Lynn & Sam Cofield, daughter and her fiancée Meg Davis & Rick Hicks, son and daughter-in-law Paul & Francis Graham, his son Pete Graham, and six grandchildren. He was preceded in death by his father and mother Lawrence B. & Margaret Hensley Beard Graham.

Arrangements were handled by Goodwin Funeral Home, Inc., Cadiz, Ky. A Memorial Service was held in Bowling Green, Ky., at the Presbyterian Church on July 16, 2013 and a Memorial Service in Cadiz, KY at the Presbyterian Chapel on July 21, 2013, in conjunction with the regular church service. Memorial Contributions can be made to The Presbyterian Church of Bowling Green, Ky., The Presbyterian Chapel of Cadiz, Ky., or The Trigg County ArrowCats of Cadiz, Ky.

Obituary

It is with great sadness Jack Henry, age 46, of Geelong Victoria, Australia has passed away, after a long and courageous battle with cancer. Jack was an inspiration to many and widely admired throughout the cattle industry. His network of associates and friends around the world and across all cattle breeds is a testament to him.

While General Manager of the Charolais Society of Australia Jack helped lay the foundation for the future direction of Charolais in Australia by encouraging open, transparent and targeted genetics programs to deliver profitable outcomes. Jack initiated and managed the Beef Improvement Nucleus (BIN) Progeny Test project. The first of its kind for the breed, the BIN project was designed to improve the future for Charolais in Australia.

Jack was not one to sit on the fence, but enjoyed extending himself, embracing new technologies, and pushing the boundaries. Jack was also a gifted photographer, cattle fitter, judge of cattle (and people)! He was a devoted family man who adored his wife and children and was a loyal friend. He will be deeply missed by all who knew him.

Montella — 44th National Champion Female

• We've all said it a million times, "the opportunity of a lifetime" and that is exactly what you have before you. Six embryos selling sired by either the greatest herd sire of our times and National Champion, Firewater, or by his National Champion son Turton. These embryos are out of the very popular current National Champion Female, TR Ms Montella, who is one of the most perfectly built females in our breed. Wait until you see her at the sale- beautiful udder, perfect conformation and great calf at side. Her maternal sister TR Ms Wylie Fire 0761X ET is the dam of the \$40,000 TR Mr Wrangle Up 2502Z that topped the 2013 Thomas Ranch Bull Sale. He was sired by WR Wrangler and this heifer calf at side of Montella is sired by WR Wrangler! Turn your attention now to that extremely exciting April baby, Hazel Eyes. She Sells!!

• Offering 50% Embryo Interest with option to double the bid and receive 100% Interest.

• Dam of the famous Baldridge Sweetheart 7M and maternal sister to the many times AICA Multiple Trait Leader Baldridge Fasttrack 82F. Sweetheart 444 has proven herself as one of the elite producing donors in the Charolais breed with both industry leading sons and daughters. One such daughter is the great donor Baldridge Sweetheart 7M, the dam of National Bull Calf Champions, National Heifer Calf Champions, as well as National Champion Carload of Bulls in Denver. #444 calved recently and currently resides at Polzin Embryo Center where she is ready to begin producing embryos for her new partner or 100% owner. This donor has a unique combination of a beautiful phenotype, and an EPD profile with four traits that rank in the top 3% of the entire Charolais breed. Partner up or take full interest in her and step into the future! Baldridge Sweetheart 444 sells with a 20 embryo guarantee if flush work is completed at Polzin Embryo Center within the next 12 months!

Summit Hoodoo Cow Family

Choice of Supreme X01 Daughters

These two Supreme daughters are the first of his progeny we will sell. His calves are STOUT, STOUT, STOUT!!!! If you want to have foundation females who can compete in the showing and then lead your donor program, here is your opportunity. We have incorporated a touch of Hoodoo in our program and this is where it seems to really work. The descendants of the Z0116 cow have maternal design with power and dimension.

• Greg really had to do some convincing for us to consign this heifer to the Northern Exposure Sale and only to increase our presence in this sale we host, do we part with her. We certainly like the versatility of her pedigree. She stems from the powerhouse Z0116 cow and her dam X02, a donor that is truly attractive, wide based and one that will lead our donor lineup for years to come. When you combine the maternal history of the Z0116 Hoodoo donor with Diablo's dam CML Pld Wilma 3S, you are assured of a history of cows who can generate substantial income. Combined, these two cows have sold over \$150,000 in progeny and embryos. Only once into the show ring and already a division championship. 2013 Iowa State Fair class winner and Spring Calf Champion!

• Two full sisters to the great TR Ms Smokette 6758S ET who was the 2007 National Champion Female and the Triple Crown Champion, winning Kansas City, Louisville and Denver. She was recognized early as "a great one" when as a weaned calf topped the 2006 National Charolais Sale at \$25,000. Smokette went on to raise the Grand Champion Steer at the Ohio State Fair in 2012. Smokette recently sold at 10 years of age in the Embryos on Ice Sale in Denver for \$24,000. The T07K cow family has also produced the great CC Katelyn 8107 who won the Supreme Championship at the 2010 Minnesota State Fair and raised WDZ CC Kade, the 2012 Breeders Classic Champion Bull in Kansas City this past fall and the 2012 Junior National Grand Champion Bull.

• Sanchez progeny have been creating a stir the last two years in the states and this February prospect is no exception. Sweet fronted, sound made and stout! Her dam was the Supreme Champion Female at the 2012 Minnesota State Fair 4-H Show and this young lady has the same phenotypic potential to compete on the tanbark as well. Study the pedigree and generations of champion and profit producers!

• These two full sisters are something special! They would be full sibs in blood to the \$25,000 Wrangler x Firegirl daughter that Nate Suttles consigned to the Northern Exposure the year after Firegirl was named the National Champion Female. Brooklyn started to make a name for herself with the four Keys Ten-Acious heifers that Chad Zehnder and Wild Indian Acres consigned last year to the Northern Exposure and the Ten Grand Sale in Kansas City, that sold for \$11,000, \$4,000, \$3,300 and \$6,000. Wrangler is making himself a "go to" sire for leading producers as time goes on.

• Here are two full sisters that will catch everyone's eye! #210 caught many breeder's attention in Texarkana during the Jr. Nationals because she is big-footed, long and has extreme rib shape. Her full sister #301 is no exception to those traits, she will follow suit. Brooklyn 939 is a full sib to Rapid Fire, Turton, Bomshell, Ivory Angel and Firegirl from the infamous Thomas Ms 0641! She has been busy the past year making embryos in partnership with Polzin Cattle that have been in high demand. With the National Champion Montezuma as their sire, these heifers are bred to be champions.

• Take the opportunity to add some genetic value to your operation. SCC Miss Mary 2500 was a feature lot in the 2012 Wright Charolais Sale, finding a new home at Rathmourne Charolais in Michigan. Her daughter in that same sale was the high-selling bred heifer at \$6,500 selling to Tiger Country Charolais in Missouri. Her daughter's have been tremendous cows. Now take your pick of daughters sired by either T077 or Passport. The DA Passport progeny have been highly chased in sales across the country. T077 continues to gain attention as an outcross sire producing bull sale toppers as well as females that are competing in the ring. These three young ladies have the pedigree to generate profit after a successful show career.

• Lots of championship blood flowing through this young April show heifer prospect. With Fire Water as her sire the table has already been set for success. Her dam Impressive Katie was also a winner, being a two-time National Division Champion, including once as a cow-calf pair. This cow family has long been one of Minnesota's best lines with White Rose Mabel, RMR Kaitlyn and Magic Doll.

• Another nice daughter of the Denver Grand Champion Diablo. These Diablo heifers are deep-bodied, easy-fleshing and correctly structured. This heifer comes from a powerful pedigree of females including the National Champion and \$60,000 selling Zsa Zsa and Baldrige Yolanda 69J. A one-half interest in Yolanda sold in the 2007 Northern Exposure sale for \$5,200. Expect nothing but good things from this heifer.

• These good spring heifer calves just keep coming at us. This daughter of the Denver Grand Champion Diablo will impress you. Diablo's dam "Wilma" is also the dam of CML Encore 4Y, the current Reserve National Champion Bull. Yes both Diablo and Encore are full brothers! The bottom side of this heifer is a first-calf Bridger daughter that has made some kind of brood cow.

CHOICE OF ALL 2014 SUMMIT FARMS SPRING BORN ET CALVES

CML Encore 4Y

• Never before has Summit offered to open the gates to all of their E.T. calf crop. This is your opportunity to select a herd sire or heifer calf out of all of their 2014 spring born E.T. calves. They have put in over 100 embryos this past summer, so you will have a big group to select from. The donors and sires represent some of the Charolais breeds most innovative genetics. The Summit donor lineup has been assembled with maternal value and power in mind. These cows were mated so the resulting progeny will appeal to cowmen and showmen alike. And don't forget, this is one of the only opportunities you will have to purchase progeny out of Supreme and Encore!

Summit HDF Supreme X01

Terms: If you select a bull calf, Summit will retain one-half semen interest and will be open to showing the bull calf with the new owner. If you select a heifer calf, Summit will retain the right to one successful flush (eight viable embryos) at the new owner's convenience. Selection must be made by August 1, 2014.

Color photo (each)	50
4-Color page correction after approval (per page)	150
B/W or 2-Color page corrections after approval (per page)	100
After deadline charge	100

Difficult ads requiring substantial extra production time will be charged a minimum \$50/hour rate. If you prefer no extra charges, request that the Journal staff simplify the ad if necessary at their discretion.

CANCELLATION POLICY

Charges dependent upon stage of production will be invoiced to advertisers who cancel previously submitted advertising.

DISCOUNTS

A 5% discount for all advertising will be given if prepaid for one year. No agency commissions allowed on breeder rates.

CLOSING DATES

All advertising copy (including photos) must be in the *Charolais Journal* office by the 25th of the second month preceding publication, i.e. Jan. 25 for the March issue or the first working day thereafter. A \$100 late fee will be applied to all late advertisements. Proof deadline: 20th of the second month preceding publication, i.e. Jan. 20 for March issue.

ADVERTISING CONTENT

The *Charolais Journal* reserves the right to refuse any advertising or copy at its sole discretion. The *Charolais Journal* assumes no responsibility for the accuracy and truthfulness of submitted advertising containing pedigrees or statements regarding performance. The *Charolais Journal* accepts no responsibility for the accuracy of any photographs supplied by other than its own staff. Advertisers shall indemnify and hold harmless the *Charolais Journal* for any claims concerning advertising content as submitted.

REPRINTS, CATALOGS AND BROCHURES

Advertising and editorial reprints available. Sale catalogs and brochures are produced at special rates. Contact office for prices.

Notice to advertisers: Advertising for sales scheduled prior to the 20th of the month of publication accepted at the advertiser's risk. The Charolais Journal assumes no responsibility for distribution.

LT SUNDANCE 2251 P

...great on his feet

- ✓ If soundness and performance rank high on your priority list, put Sundance at the top. His excellent hoof structure and heel are just part of Sundance's functionality and appeal.
- ✓ His dam has the look, milk and production to anchor this great prospect.
